GRACE 1973-1974

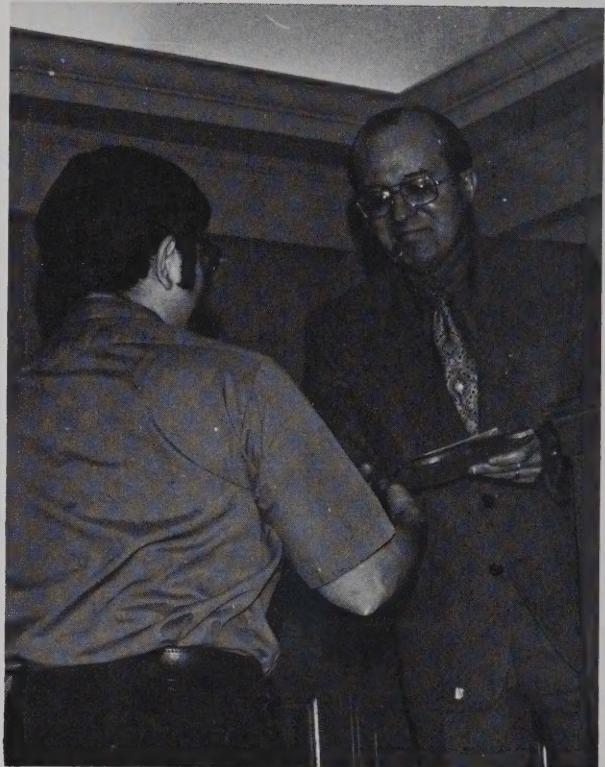

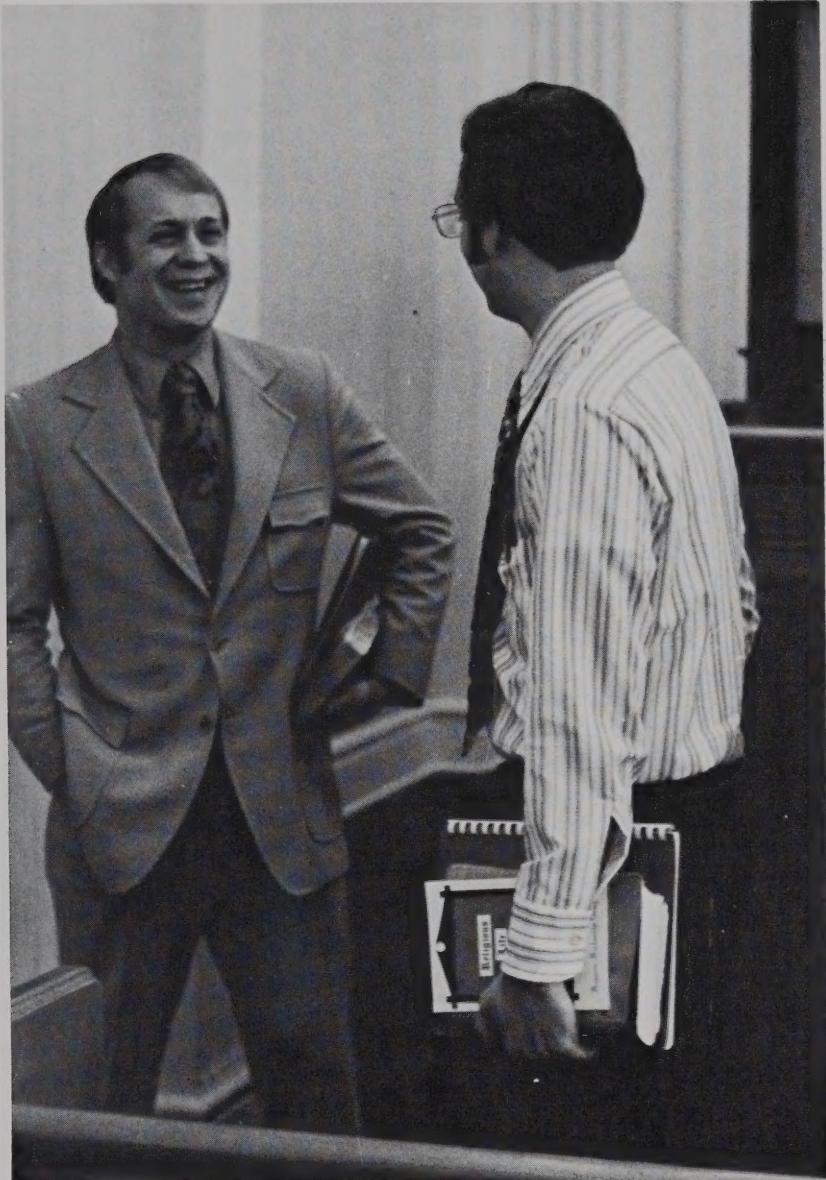

Dedicated to Dr. Paul Fink,  
A man who gives his all--  
Time, Talents,  
Energy,  
Love, Consideration,  
Finances,  
Knowledge, Ambition,  
All  
To his friends  
That they may help  
others also.

Awards Chapel is held in the spring of each year. This is the time when those students who have proved themselves outstanding in an area of study are honored. And, of course, the ultimate "award" comes with the completion of training.

Daily chapels afford a time of exposure to many different types of programs. Special speakers offer important opportunities to see possible areas of service.

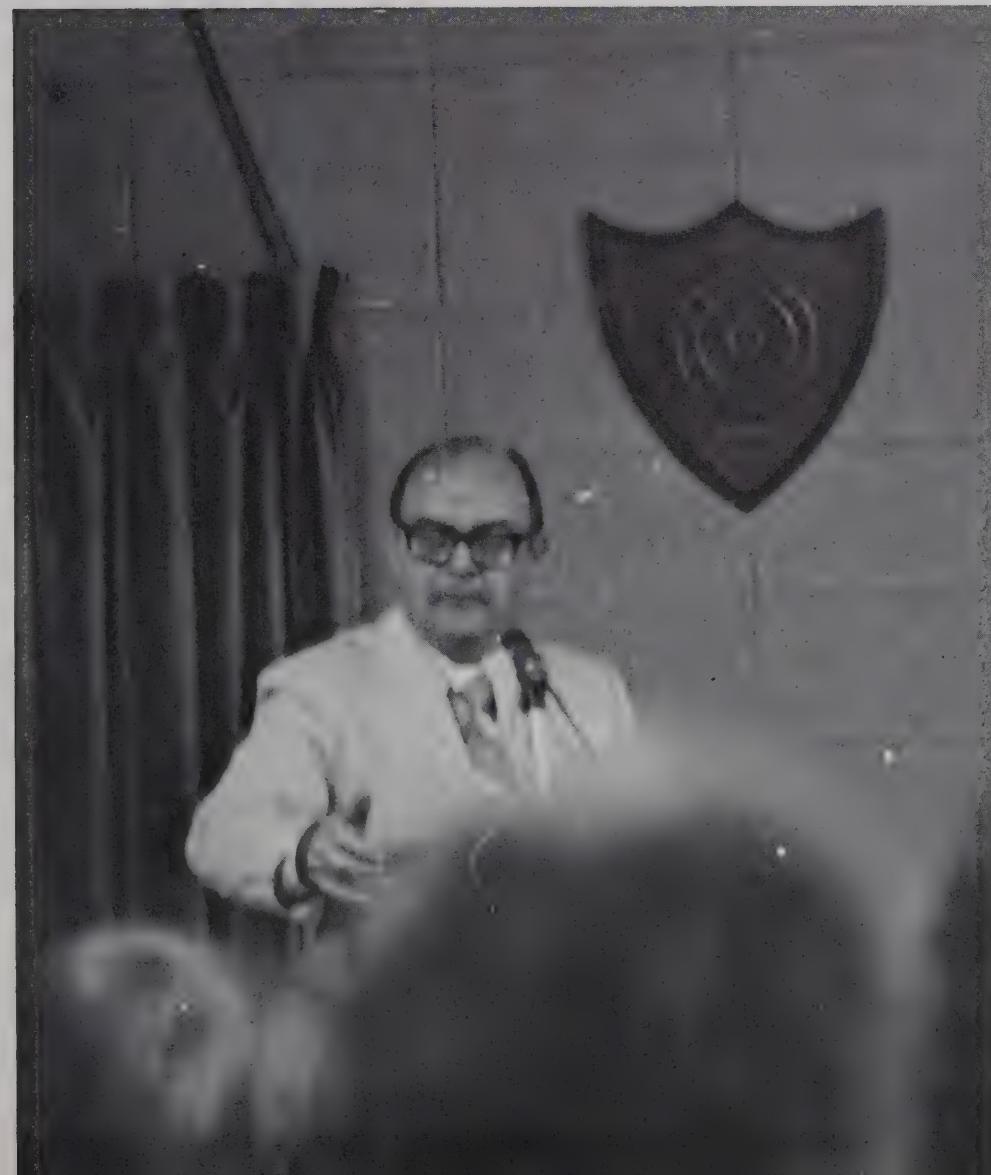

The Seminary Lounge is a haven of rest between classes. There students may visit with fellow classmates, get a cup of coffee, check their mailboxes, or just relax for a little while.

An important highlight of each year is the annual Seminary Banquet. This year Dr. Howard Hendricks from Dallas Seminary brought the challenge to have a Christ-centered home and family life.

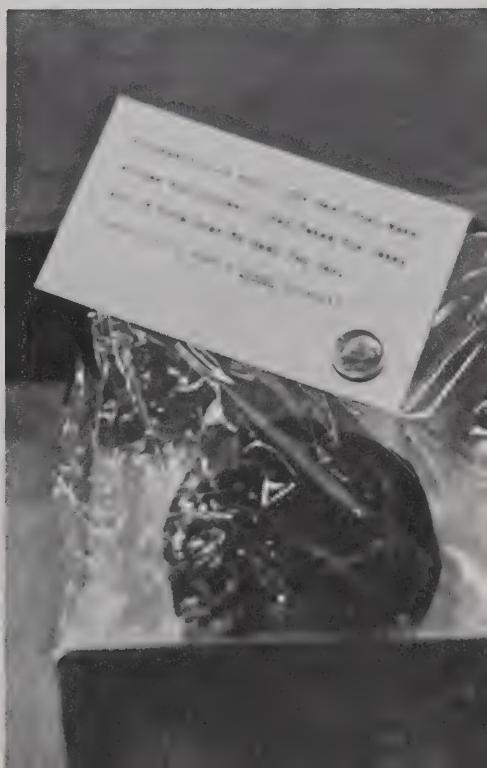

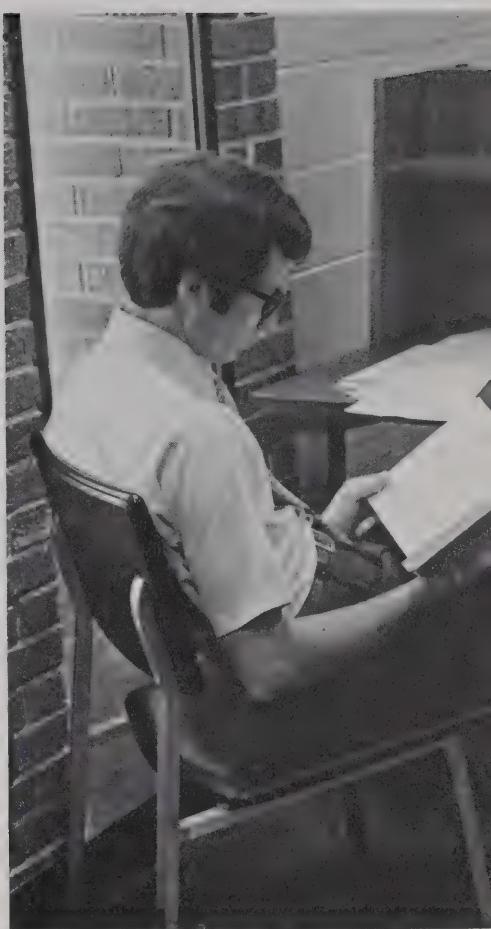

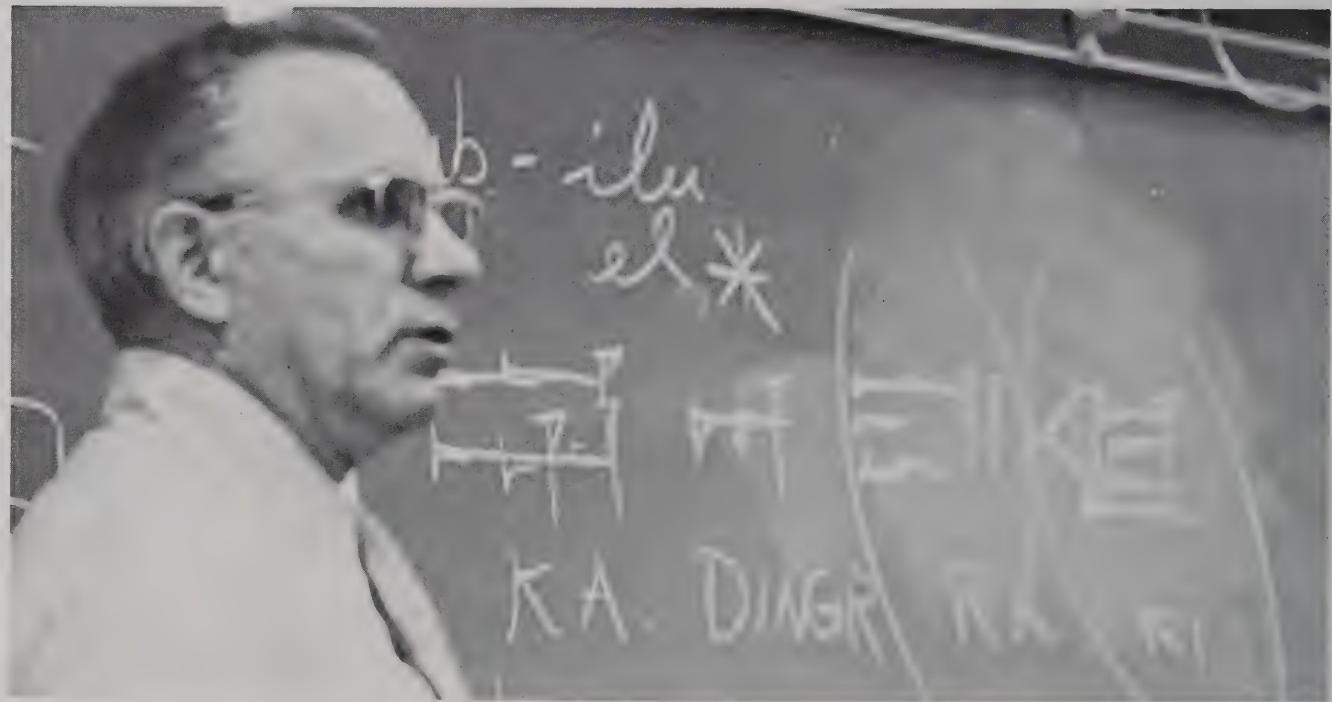

It is a real privilege to sit under the teaching of men who have not only had many years of experience, but also know how to communicate their knowledge to their students.

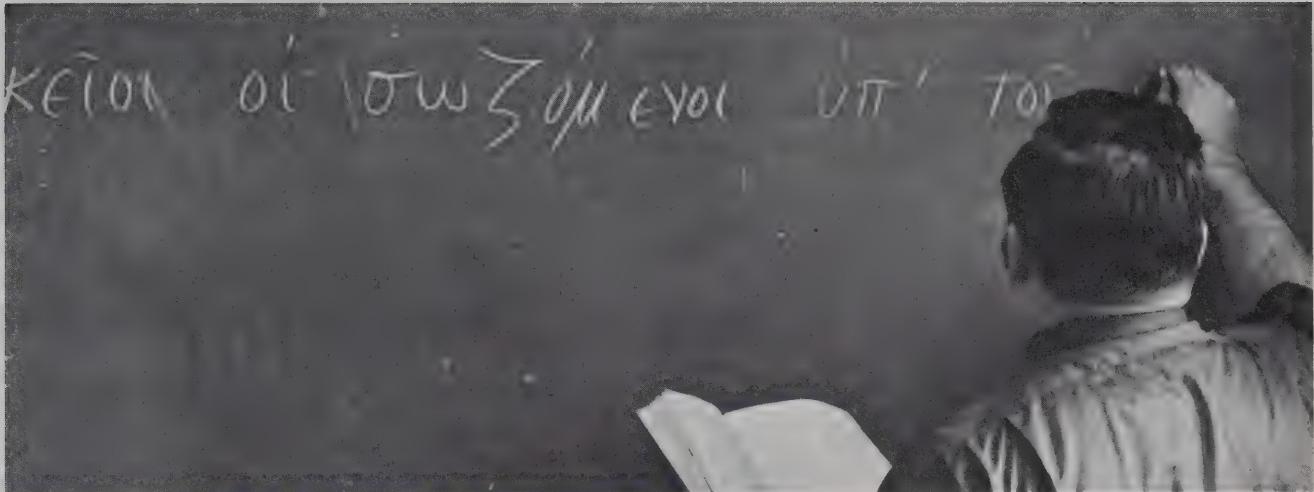

One of the most beautiful facilities on the campus is the new library, dedicated in the spring of 1969.

Here students will spend many valuable hours in study where they have easy access to the tools necessary for their research.

Director of Development, Richard Messner
